

“EDITED JUDICIAL CAMPAIGN LETTER”

_____, **Judicial Candidate**
Campaign Headquarters
Upstate New York

June, 2010

Dear _____:

Thank you very much for signing my petition and taking the time to speak with me about my run for _____ City Court Judge. My palm card was unavailable when I met with you; it is enclosed for your review. As you can see, I have had the privilege of working in public service most of my life. I would like to continue as your City Court Judge. As Judge, I will commit to dedicating all my knowledge, training and experience to make _____ a more difficult place for criminals to thrive.

Ms. _____, it was a pleasure speaking with you about career choices. I admire the dedication with which you serve your community.

This year the primary is Tuesday, _____ and the general election is _____. I am, respectfully, asking for your vote. I assure you it will be well placed. I hope to speak with you again when I return to your lovely neighborhood later this year.

Very truly yours,

City Court Judicial Candidate
